Meet fellow class members while learning about the program's structure, expectations, and goals. Through team-building activities and an introduction to leadership principles, you'll gain a strong foundation for the months ahead.	Explore the opportunities and challenges facing Liberty Public Schools through an in-depth overview. learn about programs and initiatives from local higher education institutions.	Delve into efforts to improve access to healthcare. Engage with representatives from Liberty Hospital, Clay County Public Health Center, and other organizations driving positive change in our community's well-being.	Discover Liberty's thriving business landscape on a Windshield Tour of the community. Participants will ride a bus to hear updates from the Liberty EDC and the Chamber about local growth and development. The session includes guided tours of two local facilities.	Enhance your understanding of media relations and communication strategies. Participate in hands-on activities, including green room preparation, to learn how to navigate the media landscape effectively.	Gain an insider's perspective on local government and public safety. Learn how decisions are made and services are delivered in our community.	This special event includes a recognition ceremony, remarks from program leaders and participants, and an opportunity to share your vision for community impact moving forward.
